

CAPTAIN PURE

by Kapil Dev

The True Symbol Of Purity Ultra-purified
Antioxidant Alkaline Water With Natural Minerals

Designed & Engineered
In India

*Har Ghar Ka
Champion*

About

Captain Pure is a premium R.O water purifier brand by Kapil Dev that stands tall on the firm principles of the champion himself - assurance, excellence, and performance. With extensive research, it has developed an array of products that verify its aim to be addressed as “Har Ghar ka Champion”. Manufactured and engineered in India with the latest technology from the USA it provides access to clean healthy drinking water with the benefit of added minerals to its patrons.

The motive of the brand is to provide you with the purity that is tested by us and can be trusted by you, for you and your family. Being an innovative solution for filtering all the unwanted and toxic elements, it facilitates a trustworthy product that you can rely on for your family’s well-being.

The motive of the brand is to provide you with the purity that is tested by us and can be trusted by you, for you and your family. Being an innovative solution for filtering all the unwanted and toxic elements, it facilitates a trustworthy product that you can rely on for your family’s well-being.

Our Products

CAPTAIN PURE ICONIC Water Purifier

MRP: 14990/-

Product Specifications

Product Code	CP 29
Technology	Anti Oxidant Alkaline + RO
Filters	Sediment, Activated Carbon Block, RO, Anti Oxidant Alkaline
Storage	12 Litres
Installation	Wall Mounted
Application	Suitable for Purification of Brackish / Tap / Municipal Water
Operation	Fully Automatic
Product Dimension (Inch)	21.1(H) x9.9(W) x16.7 (L) with Tap
Master Packaging	2

CAPTAIN PURE Optimus Water Purifier

MRP: 15990/-

Product Specifications

Product Code	CP15
Technology	Anti Oxidant Alkaline + RO
Filters	Sediment, Activated Carbon Block RO, Anti Oxidant Alkaline + UF
Storage	12 Litres
Installation	Wall Mounted
Application	Suitable for Purification of Brackish / Tap / Municipal
Operation	Fully Automatic
Product Dimension (Inch)	21.1(H) x9.9(W) x16.7 (L) with Tap
Master Packaging	2

CAPTAIN PURE Maximus Water Purifier

MRP: 17990/-

Product Specifications

Product Code	CP20
Technology	Anti Oxidant Alkaline + RO + Copper
Filters	Sediment, Activated Carbon Block, RO, Anti Oxidant Alkaline, Copper Filter
Storage	12 Litres
Installation	Wall Mounted
Application	Suitable for Purification of Brackish / Tap / Municipal Water
Operation	Fully Automatic
Product Dimension (Inch)	21.1(H) x9.9(W) x16.7 (L) with Tap
Master Packaging	2

CAPTAIN PURE Prime Water Purifier

MRP: 19990/-

Product Specifications

Product Code	CP21
Technology	Anti Oxidant Alkaline + RO + Copper + UV+ Digital Display
Filters	Sediment, Activated Carbon Block, RO, Anti Oxidant Alkaline, UV
Storage	12 Litres
Installation	Wall Mounted
Application	Suitable for Purification of Brackish / Tap / Municipal Water
Operation	Fully Automatic
Product Dimension (Inch)	21.1(H) x9.9(W) x16.7 (L) with Tap
Master Packaging	2

CAPTAIN PURE Legend Undersink Water Purifier

MRP: 21990/-

Product Specifications

Product Code	CP22
Technology	Anti Oxidant Alkaline + RO + UV+ Copper
Filters	Sediment, Activated Carbon Block, RO, Anti Oxidant Alkaline, UV
Storage	12 Litres
Installation	Wall Mounted
Application	Suitable for Purification of Brackish / Tap / Municipal Water
Operation	Fully Automatic
Product Dimension (Inch)	21.1(H) x9.9(W) x16.7 (L) with Tap
Master Packaging	2

CAPTAIN PURE Matrix Gravity Filter (UF Pot)

Product Specifications

Product Code	CP 30
Technology	Ultra Filtration Technology
Filters	Sediment Filter, Carbon Filters, Ss Jali, Uf Membrane
Storage	20 Litres
Installation	Table Top
Application	Suitable for Purification of Brackish / Tap / Municipal Water
Operation	Fully Automatic
Master Packing	8
MRP	2490/-

CAPTAIN PURE Matrix Gravity Filter (Copper + UF Pot)

Product Specifications

Product Code	CP 31
Technology	Ultra Filtration Technology
Filters	Sediment Filter, Carbon Filters, Minerals , Copper, Ss Jali, Uf Membrane
Storage	20 Litres
Installation	Table Top
Application	Suitable for Purification of Brackish / Tap / Municipal Water
Operation	Fully Automatic
Master Packing	8
MRP	2990/-

CAPTAIN PURE RO Membrane

Captain Pure RO Membrane is suitable for all types of water, be it municipal or boring water. With a great filtration speed and capacity, it provides an efficient performance and reduces the TDS of water upto 97%. The membrane comes in three different variants, to provide effective results as per the requirement. It maintains a great taste of waste and enriches it with natural minerals too. Being an easy to install part, you can do it yourself and take care of your purifier.

Code	Membrane	Flow	TDS Rejection	PPM	Dimension	Temperature/pressure	Master packing	M.R.P
CP01	75 GPD	11 LPH	97%	1500	297 (L)*46 (W)	10-30 ⁰ Celsius	50	1790/-
CP02	80 GPD	13 LPH	97%	2000	297 (L)*46 (W)	10-30 ⁰ Celsius	50	1990/-
CP03	100 GPD	15 LPH	97%	3000	345 (L)*65 (W)	10-30 ⁰ Celsius	50	2190/-
CP04	100 GPD (High TDS)	15 LPH	98%	4000	345 (L)*65 (W)	10-30 ⁰ Celsius	50	2390/-

CAPTAIN PURE RO Booster Pump

MRP : 2190/-

Captain Pure RO booster pump adds pressure to the water and preserves a steady environment for all ro water purifiers. Stocked with a high power motor which is noiseless, saves energy, durable, low to no vibrations along with a long life. This exemplary water pump provides a well built construction through premium quality copper, plastic and metal. It's major and unique features include upto 98% TDS rejection, a flow upto 15 litres per hour, great durability and a good lifetime.

Product Specifications

Code	CP09
Voltage	24 VDC
Current	1 AMP
Weight	1.9 kg (approx)
Dimension	176 (L)x95(W)x97 (H)
Inlet / Outlet	3/8x1/4
Booster Pump Type	100 GPD
Master Packing	8 PCS.

CAPTAIN PURE Sediment Filter

Sediment filter serves as a block towards various kinds of sediments and suspended solids. It holds physical impurities like dust, dirt, sand, silt, clay, and other solid particles.

Product Specifications

Code	CP06
Weight	262 gm (Approx)
Dimension	345(L) x 65(W) Approx
Inlet / Outlet	1/4 (Pushfit type)
Color / Filtration	White/5 Micron
Temperature / Pressure	10-30 C/5-100 PSI
Master Packing	55 PCS.

MRP: 499/-

CAPTAIN PURE Carbon Block Filter

The stationary carbon particles in the Carbon Block Filter remove a wide range of impurities from water. Even tiny impurities are adsorbed by the Carbon Block.

Product Specifications

Code	CP07
Weight	415 gm (Approx)
Dimension	345(L) x 65(W) Approx
Inlet / Outlet	1/4 (Pushfit type)
Color / Filtration	White/1100 mg/g
Temperature / Pressure	10-30 C/5-100 PSI
Master Packing	55 PCS.

MRP: 499/-

CAPTAIN PURE Carbon Filter

Carbon filter uses a bed of activated carbon to eliminate impurities from tap water by employing adsorbents.

Product Specifications

Code	CP19
Weight	400 gm (Approx)
Dimension	345(L) x 65(W) Approx
Inlet / Outlet	1/4 (Pushfit type)
Color / Filtration	Copper 1100 mg
Temperature / Pressure	10-37 C/5-100 PSI
Master Packing	55 PCS.

MRP : 499/-

CAPTAIN PURE Alkaline Filter

The alkaline filter comprises H2O clusters so your body can assimilate and employ them quickly, presenting sharper and improved hydration.

Product Specifications

Code	CP17
Weight	460 gm (Approx)
Dimension	230(L) x 65(W) Approx
Inlet / Outlet	1/4 (Pushfit type)
Color / Filtration	White
Temperature / Pressure	10-30 C/5-100 PSI
Master Packing	55 PCS.

MRP : 1590/-

CAPTAIN PURE Copper Filter

Copper Filter is highly effective and absorbs all water-soluble vitamins and transforms acidic water into alkaline water. Discharges essential minerals into the water, controls the PH, which is beneficial for health.

Product Specifications

Code	CP18
Weight	410 gm (Approx)
Dimension	345(L) x 65(W) Approx
Inlet / Outlet	1/4 (Pushfit type)
Color / Filtration	White/1100 mg/g
Temperature / Pressure	10-30 C/5-100 PSI
Master Packing	55 PCS.

MRP : 1690/-

CAPTAIN PURE Concealed Membrane 100gpd

A Concealed Membrane which can Removes Impurities, Reduces Chlorine, Eliminates Fluoride, Reduces Pesticides, Removes Lead, and Removes Nitrates

Product Specifications

Code	CP05
Weight	430 gm (Approx)
Dimension	345(L) x 65(W) Approx
Inlet / Outlet	1/4 (Pushfit type)
Color / Filtration	White/1100 mg/g
Temperature / Pressure	10-30 C/5-100 PSI
Master Packing	55 PCS.

MRP : 2450/-

CAPTAIN PURE Spun Filter

Carbon filter uses a bed of activated carbon to eliminate impurities from tap water by employing adsorbents.

Product Specifications

Code	CP11
Weight	120 gm (Approx)
Dimension	255(L) x 58(W) Approx
Color / Filtration	5 Micron
Temperature / Pressure	10-30 C/5-100 PSI
Master Packing	60 PCS.

MRP : 450/-

CAPTAIN PURE SMPS

CP12 : MRP : 949/-

CP13 : MRP : 999/-

Product Specifications

Code	CP12 (2 amps) / CP13 (2.5 amps)
Weight	242 gm (Approx)
Dimension (mm)	123(L) x 37 (W) x 38 (H) (Approx)
Operating Voltage	24/36V DC
Input Volt. / Max Current	100-300V AC / 1.5Amp
Color	Black
Master Packing	48 pcs.

CAPTAIN PURE Extra Housing Set

MRP: 750/-

Product Specifications

Code	CP16
Weight	300gm (Approx)
Dimension	300(L) x 115(W) Approx
Inlet / Outlet	1/4" Jaco Type
Color	White
Temperature / Pressure	10 C-35 C / 5-140 PSI
Content	Extra Housing : Spun / Spanner / Screws
Master Packing	9 pcs.

CAPTAIN PURE Filter Kit

MRP: 3490/-

Product Specifications

Code	CP23
Weight	1.260 kg.
Dimension	360 (W) x 460 (L)
Content	Sediment Filter, Carbon Block Filter, Concealed Membrane 100gpd, Post Carbon Filter
Master Packing	10 pcs.

CAPTAIN PURE Alkaline Kit

MRP : 3990/-

Product Specifications

Code	CP24
Weight	1.260 kg.
Dimension	360 (W) x 460 (L)
Content	Sediment Filter , Carbon Block Filter, Concealed Membrane 100gpd, Alkaline Filter
Master Packing	10 pcs.

CAPTAIN PURE Copper Kit

MRP : 4490/-

Product Specifications

Code	CP25
Weight	1.260 kg.
Dimension	360 (W) x 460 (L)
Content	Sediment Filter , Carbon Block Filter, Concealed Membrane 100gpd, Copper Filter
Master Packing	10 pcs.
